Where activities have not yet commenced (First provisional then regular) B. Where activities have commenced (Directly regular) Regarding (B) above, during the period from 01.10.2023 to 30.09.2024, due to a very careless drafting error, there was no provision in the Act to grant 80G approval to an assessee that had commenced activities, had 12AB or 10(23C) registration and had claimed exemption u/s 11 or 10(23C). Applications in such cases were rejected and many litigations are pending. It is hoped that CBDT would take steps to mitigate this genuine hardship.

Amnesties and Condonations

General amnesty was in force till 30.06.2024 for condoning delays in filing the above forms. With effect from 01.10.2024 commissioners are empowered to condone delay on a case-to-case basis.

Chapter 1

Introduction

Charity

Philanthropy in India has a deep and broad foundation in society. India's earliest philanthropists pioneered the concept of building wealth for the public good. After independence, the Indian republic's socialist policies meant that government initiatives, rather than private efforts, were expected to provide for the needs of citizens. Philanthropy developed less rapidly as a result. Yet during this time the Indian diaspora played an important role in contributing to Indian society through philanthropy, particularly in establishing hospitals, schools and colleges around the country. Many were established to express their gratitude to the country of their birth and to share their good fortune.

It is interesting to note that the Companies Act, 2013 makes it mandatory for certain companies to incur expenditure on CSR – Corporate Social Responsibility – initiatives.

Charitable Institution

A charitable institution or organization or charity is an organization whose primary objectives are philanthropy and social well-being. The efforts can range from educational, religious or other activities serving the public interest or common good.

The legal definition of a charitable organization and of charity is different in one or the other shed, between countries and may also vary amongst various regions of the country. The regulation, the tax treatment, and the manner in which local law affects charitable institutions also vary.

In India such organisations are constituted as a charitable trust or a society under the state laws or a company under provisions of the Companies Act, 2013. Certain public religious organisations exist or come into existence on certain initiative of persons belonging to any community. Persons also create such institutions through their will and the property or a part of it is settled on charity on demise of the person.

One can do charity individually also by offering food, medicines, education or money to any needy person or group. For example, in draught prone area or

in summer, drinking water dispensation canter are run by certain individuals or businesses.

Charitable institutions are constituted to carry out social, charitable or religious initiatives on a bigger scale. It also enables various persons to contribute to the cause of charity. Because of charitable institutions, schools, colleges, research institutions, hospitals, places of worship, community halls, etc. have come up. Social objects like water supply, sanitation, conservation of natural resources, historical monuments, etc. are also undertaken by such institutions.

Income tax Exemption

Charitable institutions or organizations should not use any of their funds to profit individual persons or entities associated with the institution. However, some charitable organizations have come under scrutiny for spending a disproportionate amount of their income to pay the salaries of their leadership.

In India, the Income tax Act, 1961 (the Act) provides a complete code to grant exemption for public charitable and public religious institutions. The exemption is provided if certain conditions that are prescribed under the law are followed. In order to examine eligibility of the institution for exemption, the process of registration has been provided in the Act. The registration enables the institution to have an assurance for grant of exemption if its functioning follows the stipulated law.

New process of registration

The Finance Act, 2020 made overhaul in provisions relating to registration of charitable and religious institution with the Income tax Department. There was complete change in registration process. It is through means of technology. It is one database on pan India basis. The registration once granted shall expire after certain period. Re-registration is necessary to continue benefit of tax exemption.

The registration is necessary for enjoying tax exemption by charitable institutions.

The relevant extract explaining the intention behind the amendment and scope of amendment is as under: -

“It is also felt that the approval or registration or notification for exemption

*should also be for a limited period, say for a period not exceeding five years at one time, which would act as check to ensure that the conditions of approval or registration or notification are adhered to for want of continuance of exemption. This would in fact also be a reason for having a non-adversarial regime and not conducting roving inquiry in the affairs of the exempt entities on day-to-day basis, in general, as in any case they would be revisiting the concerned authorities for new registration before expiry of the period of exemption. **This new process needs to be provided for both existing and new exempt entities.***

“(iii) an entity approved, registered or notified under clause (23C) of section 10, section 12AA or section 35 of the Act, as the case may be, shall be required to apply for approval or registration or intimate regarding it being approved, as the case may be, and on doing so, the approval, registration or notification in respect of the entity shall be valid for a period not exceeding five previous years at one time calculated from 1st April, 2020.”

Due to the Covid-19 pandemic, government had to withdraw the aforesaid new law for registration of charitable and religious institution was withdrawn.

Thereafter, by the Taxation and Other Laws (Relaxation and Amendment of Certain Provisions) Act, 2020, w.e.f. 1-4-2021 new procedure for fresh registration has been made applicable.

New rules and forms have also been prescribed by notification no.212 dated 26.03.2021 from 1-4-2021.

Purpose of Handbook

Canvass of the booklet covers registration and renewal of registration under the new section 12AB of the Act for charitable institutions seeking to enjoy tax exemption and for eligibility for deduction under section 80G for donations received. Sections 10(23C) of the Act also affords tax exemption for certain institutions. n

It is imperative for professionals and stakeholders to comprehend the new registration and renewal procedure and law. This will support them in legally complying with the new provisions which will enable the benefit of exemption to the appropriate trusts and institutions.

Chapter 2

Law Relating to Exemption

Incomes which do not form part of total income are contained in Chapter III of the Income tax Act, 1961 (the Act). These are commonly called as exempt incomes. Law relating to exemption for charitable and religious institutions is contained in sections 11 to 13. Words 'institution', 'trust' no profit object company' are used interchangeably, in this publication as law for tax exemption is uniformly applicable irrespective of category of the entity.

Charitable purpose has been defined as:

Clause (15) of Section 2

"charitable purpose" includes relief of the poor, education, yoga, medical relief, preservation of environment (including watersheds, forests and wildlife) and preservation of monuments or places or objects of artistic or historic interest, and the advancement of any other object of general public utility:

Provided that the advancement of any other object of general public utility shall not be a charitable purpose, if it involves the carrying on of any activity in the nature of trade, commerce or business, or any activity of rendering any service in relation to any trade, commerce or business, for a cess or fee or any other consideration, irrespective of the nature of use or application, or retention, of the income from such activity, unless—

- (i) such activity is undertaken in the course of actual carrying out of such advancement of any other object of general public utility; and
- (ii) the aggregate receipts from such activity or activities during the previous year, do not exceed twenty per cent of the total receipts, of the trust or institution undertaking such activity or activities, of that previous year;

The term religious activity is not defined in the Income Tax Act. The litmus test is however, that the religious purpose must be public in nature. A Religious Trust may be private or public. Section 13(1)(a) excludes from exemption a private religious Trust, which does not ensure for the benefit of the public. Thus, a Trust for a private family deity to which the public or a

particular class has no access, is taxable. Hon'ble Supreme Court in *Deoki Nandan v. Murlidhar* (AIR 1957 SC 133), thus held, for the purpose of expatiatingarguments on the question of distinction between a public Trust and a private Trust..... argued that the distinction between a private Trust and a public Trust is that in the former, the beneficiaries are specific individuals, whereas, in the latter, they are general public or a class thereof. In the former, the beneficiaries are persons who are ascertained or capable of being ascertained and in the latter, they constitute a body which is not capable of ascertainment.

Section 11 of the Act provides that subject to provisions of sections 60 to 63, the following income of a religious or charitable trust or institution are not included in its total income:

- (a) Income from property held under trust wholly for charitable or religious purposes [Section 11(1)(a)] to the extent to which such income is applied to such purposes in India; and, where any such income is accumulated for such application, to the extent to which the income so accumulated is not in excess of fifteen per cent of the income from such property
- (b) Income from property held under trust which is applied in part only for charitable or religious purposes [Section 11(1)(b)] conditions specified in (a) above are observed in respect of the part of income.

In both the cases, voluntary contributions shall be deemed to be part of the income; and if, in the previous year, the income applied to charitable or religious purposes in India falls short of eighty-five per cent of the income (i) for the reason that the whole or any part of the income has not been received during that year, or (ii) for any other reason, then it can be so applied in the year of receipt or in the year subsequent to such year or in the year subsequent to that year, as the case may be.

Any payment to other eligible Trust being contribution with a specific direction that it shall form part of the corpus is not considered as application.

Provisions of Section 40(a)(ia) and 40A(3) and (3A) are required to be complied while making application.

Amount of application shall be determined without any deduction of

Registration of Charitable & Religious Institutions for Income Tax Exemption

depreciation in respect of any asset, acquisition of which has been claimed as an application of income.

- (c) Income from property held under trust which is applied for charitable purposes outside India [Section 11(1)(c)] if spent outside India as per directions of the Board.
- (d) Voluntary contributions forming part of corpus are exempt [Section 11(1)(d)].

Where eighty-five per cent of the income referred to in clause (a) or clause (b) above is not so applied, during the previous year but is accumulated, either in whole or in part, for such application income so accumulated or set apart shall not be included in the total income if formalities are observed. Accumulation cannot be made for more than five years.

Separate provisions for exemption of capital gain have been made. Excess expenditure over income incurred in any particular year, then such excess expenditure cannot be claimed as application the any subsequent year.

The forms and modes of investing or depositing the money of the Institution cannot be other than those prescribed.

Section 13 of the Act provides for forfeiture of exemption in certain circumstances. For example, any part of the income of a trust for private religious purposes which does not enure for the benefit of the public, any funds are invested otherwise than in any one or more of the forms specified in section 11(5); any part of the income or property is lent to or used for benefit of any interested person [defined in section 13 (3)], etc.

The income of the fund or trust or institution or university or any other educational institution or hospital or any other medical institution referred in section 10(23C) (iv) or (v) or (vi) or (via) is exempted if conditions specified therein are complied with.

Where a trust or an institution has been granted registration under section 12A and the said registration is in force for any previous year, then exemption under section (23C)(1) and (46) shall not be available and vice versa. However, change in option of section for exemption is available.

DTC has a separate publication on Taxation of Charitable Institutions, which is under process of updating. The same may be referred for further elucidation.

Chapter 3

Conditions for Exemption

1. Conditions for applicability of exemption under sections 11 and 12 are prescribed in section 12A of the Act. It provides that exemption shall not apply for income of any trust or institution unless the following conditions are fulfilled, namely:-
 - (a) the person in receipt of the income has made an application for registration of the trust or institution in the prescribed form and in the prescribed manner
 - (b) where the total income of any religious or charitable the trust or institution as computed under this Act without giving effect to the provisions of section 11 and section 12 exceeds the maximum amount which is not chargeable to income-tax in any previous year, the accounts of the trust or institution for that year have been audited by an accountant as defined in the *Explanation* below section 288(2) before the specified date referred to in section 44AB and the person in receipt of the income furnishes by that date the report of such audit in the prescribed form duly signed and verified by such accountant and setting forth such particulars as may be prescribed;
 - (ba) the person in receipt of the income has furnished the return of income for the previous year in accordance with the provisions of sub-section (4A) of section 139, within the time allowed under that section.
2. Registration of charitable or religious institution under the Income tax Act, 1961 (the Act) is a must. At times, one carries an impression that registration under Public Charitable Trusts Act or Societies Registration Act or section 8 of the Companies Act, 2013 (or section 25 of the Companies Act, 1956) is sufficient. This is incorrect. If any charitable or religious institution desires to enjoy exemption from payment of income tax, separate registration under the Income tax Act is compulsory.

Registration of Charitable & Religious Institutions for Income Tax Exemption

3. The process of registration of charitable or religious institution under the Income tax Act has undergone a substantial change and it is the very purpose of this publication to amplify the new law and procedure.
4. Where total income of the religious or charitable trust or institution without ignoring the provisions of section 11 and section 12 exceeds the maximum amount which is not chargeable to income-tax in any previous year, then there is compulsory requirement of audit of accounts of the institution. The accounts of the trust or institution for such year should be subjected to audit by a chartered accountant in practice or audited by an accountant defined in the *Explanation* below section 288(2). The audit report thus obtained should be *furnished by the specified date referred to in section 44AB* of the Act.

DTC has a separate publication on Taxation of Charitable Institutions, which is under the process of updating. The same may be referred for further elucidation.

5. It is also mandatory for the religious or charitable trust or institution to furnish its return of income on or before the due date prescribed under section 139(4A) r.w.s. 139(1) of the Act. If return of income is not filed on or before the due date, the religious or charitable trust or institution will lose its exemption.

Chapter 4

Requirement of Registration

1. The procedure of registration has undergone substantial change from April 1, 2021. In words of Hon. Finance Minister *"Further, in order to claim the tax exemption, the charity institutions have to be registered with the Income Tax Department. In the past, the process of the registration was completely manual and scattered all over the country. In order to simplify the compliance for the new and existing charity institutions, I propose to make the process of registration completely electronic under which a unique registration number (URN) shall be issued to all new and existing charity institutions. Further, to facilitate the registration of the new charity institution which is yet to start their charitable activities, I propose to allow them provisional registration for three years"*.
2. The Finance Act, 2020 changed the law relating to registration of charitable and religious institution that are desirous of claiming and continue to claim exemption from payment of income tax. This new law was made applicable from April 1, 2020. However, due to advent of pandemic, considering difficulty in complying the procedural requirements, the new law was deferred and brought into operation from April 1, 2021 vide the Taxation and Other Laws (Relaxation and Amendment of Certain Provisions) Act, 2020.
3. The changes, in nutshell, clause (ac) has been inserted in sub-section (1) of section 12A of the Act. This clause classifies institutions into certain baskets and prescribes the procedure. Section 12AB has been newly inserted to prescribe Procedure for fresh registration.
4. Clause (ac) of sub-section (1) of section 12A is operative w.e.f. 1-4-2021. The said clause provides that notwithstanding anything contained in clauses (a), (aa) and (ab) which prescribed procedure for making application for eligibility for exemption from income tax. The clause (ac) further provides that the person in receipt of the income has made an application in the prescribed form and manner to the Principal Commissioner or Commissioner, for registration of the trust

Registration of Charitable & Religious Institutions for Income Tax Exemption

or institution and such trust or institution is registered under section 12AB for being entitled for tax exemption.

5. The CBDT has revised Rule 17A prescribing procedure for registration of the trusts or institutions under newly inserted section 12A(1)(ac) of the Act. A Notification No. G.S.R. 212(E) dated 26th March, 2021 has brought about these changes from April 1, 2021.
6. Clause (ac) of section 12A (1) classifies charitable and religious institution into six baskets – five of which are specific and the last is residuary one. Form for making application and time limit has been prescribed for each category. The baskets and related application forms are as follows:

- (i) The trust or institution is registered under section 12A or under section 12AA.

Thus, in this category, the trusts or institutions which are already registered with the Income tax Department for enjoying exemption provided under section 11 and 12 of the Act.

The Application should be made within three months from the 1st day of April, 2021.

Form No. 10A should be used for making an application.

- (ii) The trust or institution is registered under section 12AB and the period of the said registration is due to expire.

This category includes such trusts or institutions which apply for registration with the Income tax Department under the new regime. These trusts or institutions will be registered under section 12AB of the Act. This registration shall be granted for a period of five years. Thus, it will expire at the end of five years and shall require re-registration.

The Application should be made at least six months prior to expiry of the said period.

Form No. 10AB should be used for making an application.

- (iii) The trust or institution has been provisionally registered under section 12AB.

Newly constituted trusts or institutions need quick registration for collection of donations and to commence activities. <i>* months from the end of the month in which the Application was received.</i>			

9. Thus, by following the above procedure, any charitable institution or trust gets the registration. However, the registration granted is for the prescribed period. Where provisional registration is granted, it is for a period of three financial years or commencement of activities of the institution. Registration is granted for a period of five financial years.
10. It should also be borne in mind that where there is certain non-compliance by the institution that is registered as aforesaid, the registration is liable for cancellation after following due process of law.
11. Time limit for receipt of new registration certificate is as follows:

The new procedure of granting provisional registration is with an intention to simplify and facilitate the registration process for new and existing charitable trusts or institutions, the extract of Hon'ble Finance Minister's budget speech is as under,

'In order to simplify the compliance for the new and existing charity institutions, I propose to make the process of registration completely electronic under which a unique registration number (URN) shall be issued to all new and existing charity institutions. Even the authority to grant registration in case of renewal [section 12A(1)(ac)(i)] is with these Authorities. Whereas, for all other purpose, since there is no such separate notification issued till date, the authority lies with jurisdictional CIT (Exemption).

Chapter 6

New Institutions

1. Any trust or institution like company, society, etc. has been newly incorporated, it needs to follow procedure laid down in the Act for registration under the Income tax Act, 1961. Moreover, any trust or institution for charitable or religious objects, where registration under the Income tax Act, 1961 has not been obtained or such registration obtained has been lapsed or cancelled, the procedure applicable to newly incorporated trusts or institutions is required to be followed. A facility has been provided to such trusts and institutions to quickly commence activities.
2. Newly inserted provisions namely section 12AB and 12A(1)(ac) in The Income-tax Act, 1961 have prescribed the new procedure. It is applicable from April 1, 2021.
3. For trusts or institutions which intend to get themselves registered for the first time have to follow the new procedure which is as below:

Step 1: Application for obtaining Provisional Registration

Step 2: Application for converting Provisional registration into Final Registration

Let's understand the new registration procedure as per Section 12A(1)(ac) w.e.f. 01.04.2021 applicable for trusts not having such registration:

Step 1 : Application for obtaining Provisional Registration

The first step is to get a provisional registration, so the time limit for filing application is at least one month prior to the commencement of the previous year relevant to assessment year from which the said registration is sought ref [Section 12(1)(ac)(vi)].

E.g.: If any trust or institution seeks to get registration from FY 2022-23 (AY 2023-24) then application has to be made before 01.03.2022.

Now, the question arises for those trusts or institutions which intend to seek registration from FY 2021-22 (i.e. AY 2022-23) as the corresponding rules and application forms were not available before

Registration of Charitable & Religious Institutions for Income Tax Exemption

01.03.2021 and hence the application for new registration could not be made.

Considering the above situation, an exception is being provided under rule 17A of the Income Tax rules, 1962. Income-tax (6th Amendment) Rules, 2021, amended vide notification dated 26.03.2021, particularly for FY 2021-22 (i.e. AY 2022-23) only and it is prescribed as under:

- (7) *In case of an application made under sub-clause (vi) of clause (ac) of sub-section (1) of section 12A during previous year beginning on 1st day of April, 2021, the provisional registration shall be effective from the assessment year beginning on 1st day of April, 2022.*

Accordingly, an application made for the first time during the FY 2021-22 for registration under Section 12(1)(ac)(vi) for grant of the provisional registration. Application should be made in Form No. 10A.

After making of an application, provisional registration is granted.

Provisional Registration is effective from the same Financial year. It must be noted that this exception is provided for covering the year of transition and not applicable for subsequent Assessment Years i.e. from AY 2023-24. For those subsequent periods application has to be made a month prior to the start of previous year relevant to that assessment year in which registration is sought.

This provisional registration is for a period of three financial years.

Generally, immediately after getting incorporated, institutions do not commence their activities. Because, status of tax exemption for receipts is not known. Therefore, they tend to defer seeking funds till they get registered under Income-tax Act so as to plan their taxes (*this is the reason behind the idea of introducing Provisional Registration to be granted on fast-track basis*).

Now, since, the provisional registration is granted on fast-track basis, the trusts/institutions can start their activities immediately, and they must apply for Final registration immediately as the maximum time limit is within 6 months from commencement of activities.

Time limit for granting provisional registration is one month calculated from the end of the month in which the application was received.

Pending Applications for registration u/s 12AA as on 01.04.2021:

It must be noted that, as per sub-section (2) of section 12AB of the Income Tax Act, 1961, any application pending before PCIT or CIT as on 01.04.2021 on which order as per section 12AA(1)(b) is not passed, shall be deemed to be an application made under section 12A(1)(ac)(vi) i.e. application for provisional registration.

Step 2: Application for converting Provisional registration into Final Registration

After the first step of getting provisional registration under section 12AB, the second step is converting it into Final registration. The time frame for the same is mentioned in section 12A(1)(ac)(iii):

At least six months prior to the expiry of period of the provisional registration which is valid for three years

or

Within six months of the commencement of the activities, whichever is earlier.

Before granting registration the following aspects are examined:

- (A) the genuineness of activities of the trust or institution; and
- (B) the compliance of such requirements of any other law for the time being in force by the trust or institution as are material for the purpose of achieving its objects;

The authority, after inquiry can take one of the following two alternatives:

after satisfying himself about the objects of the trust or institution and the genuineness of its activities under item (A) and compliance of the requirements under item (B), of sub-clause (i),—

Either

- (A) pass an order in writing registering the trust or institution for a period of five years;

or

Registration of Charitable & Religious Institutions for Income Tax Exemption

- (B) if he is not so satisfied, pass an order in writing rejecting such application and also cancelling its registration after affording a reasonable opportunity of being heard;

Thereafter, the new trust or institution or where registration has been newly received as aforesaid can function in a normal manner.

Chapter 7

Procedure for revival of existing Inoperative Trusts/Institutions

What is Inoperative Trust/Institution?

The two provisos introduced by Finance Act 2020 to Sec 11(7) by the Income tax Act 1961 (the Act), with effect from 01/06/2020 gave rise to the concept of Inoperative Trusts or Inoperative Institutions.

The Trusts which are already registered under Sec 12 A or Section 12 AA of the Act and also approved u/s 10(23C) or notified under 10(46) of the Act simultaneously, their registration will be inoperative with respect to Sec 12 A or Sec. 12 AA of the Act from the date on which proviso to Sec 11 (7) came into force.

The second proviso to Sec 11(7) further states that the Trusts or Institutions whose registration u/s 12A or 12 AA has become inoperative, as aforesaid under the first proviso, may apply for restoration of registration u/s 12 AB of the Act. However, once the registration is restored u/s 12 AB of the Act, the approval u/s 10(23C) or notification Sec 10 (46) of the Act shall cease.

Section 11(7) of the Act as it stood before the amendment by Finance Act 2020, provided that the **Trust or Institution registered u/s 12 A or Sec 12 AA of the Act could not claim any income exempt u/s 10** excepting the income covered u/s 10(1) [Agricultural Income], u/s 10(23C) [Income of the Educational Institutions solely operating for educational purposes/ Hospitals established for philanthropic purposes and not for the purposes of making profits] and that u/s 10(46) [Specified Income of the notified Body or Authority or Trust constituted under the State, Central or Provincial Act]. It was interpreted and rightly so, that Trust registered u/s 12 A or u/s 12 AA could also simultaneously claim income exempt u/s 10(23C) or u/s 10(46) of the Act.

For further clarity in the matter, we reproduce Sec 11(7) of the Act as follows:

Section 11(7): "Where a trust or an institution has been granted registration [under clause (b) of sub-section (1) of section 12AA]] or has obtained

Registration of Charitable & Religious Institutions for Income Tax Exemption

registration at any time under section 12A [as it stood before its amendment by the Finance (No. 2) Act, 1996 (33 of 1996)] and the said registration is in force for any previous year, then, nothing contained in section 10 other than [clause (1), clause (23C) and clause (46)] thereof shall operate to exclude any income derived from the property held under trust from the total income of the person in receipt thereof for that previous year:

[Provided that such registration shall become inoperative from the date on which the trust or institution is approved under clause (23C) of section 10 or is notified under clause (46) of the said section, as the case may be, or the date on which this proviso has come into force, whichever is later: (with effect from 01/06/2020)

Provided further that the trust or institution, whose registration has become inoperative under the first proviso, may apply to get its registration operative [under section 12AA or section 12AB] subject to the condition that on doing so, the approval under clause (23C) of section 10 or notification under clause (46) of the said section, as the case may be, to such trust or institution shall cease to have any effect from the date on which the said registration becomes operative and thereafter, it shall not be entitled to exemption under the respective clauses.] (with effect from 01/06/2020).

Taxation and Other Laws (Relaxation and Amendment of certain Provisions) Act 2020 has not made any amendment in the first proviso to Sec 11(7) of the Act. Second proviso says that trust, whose registration has become inoperative under the first proviso, may apply to get its registration operative under section 12AA or Section 12 AB. It appears that Trust can be inoperative under first proviso with effect from 01/06/2020 and its registration u/s 12 AA can be restored by applying between the period 01/06/2020 to 31/08/2020. However, since the said period for application is postponed to 01/04/2021 to 30/06/2021, now restoration of registration u/s 12 AA does not seem to be possible. How a Trust inoperative under the first proviso to Sec 11 (7) from 01/06/2020 to 31/03/2021 can be made operative? This issue needs clarification.

Reasons for obtaining additional registration u/s 10(23C) or 10(46) of the Act:

The Educational Institutions may own number of schools with Government Grants and number of schools without any Grant from the Government. The Income of the Schools which were wholly or substantially funded by the

Procedure for revival of existing Inoperative Trusts/Institutions

Government could be claimed exempt u/s 10(23C) of the Act. Income of the other schools owned by the same Institutions could be claimed exempt u/s 12 A or 12 AA of the Act.

There was no restriction in the Act for number of switches from Sec 12 A / 12 AA to Sec 10(23C) and vice e versa. The amendment has been brought in to curb such practice.

Now the Trust has to decide once in for all whether to take tax exemption u/s 12 AB or u/s 10 (23C). Only one switch over is allowed as aforesaid for ensuring the ease in administration, as stated by the Finance Minister in the Explanatory Memorandum to the Finance Bill 2020.

Universities or Educational Institutes solely working for educational purposes or Hospitals solely working for philanthropic purposes and not for the purposes of profit,

- 1) If are wholly or substantially financed by the Government, may claim their income exempt u/s 10(23C)(iiiab) if those are Universities or Educational Institutions or u/s 10(23C)(iiiac) of the Act if those are Hospitals.
- 2) If their annual receipts **are less than Rs. Five Crores** (amount prescribed with effect from 01/04/2022 i.e. A.Y. 2022/23), may claim their income exempt u/s 10(23C)(iiiad) if those are Universities or Educational Institutions or u/s 10(23C) (iiiiae) of the Act if those are Hospitals.
- 3) If they are not substantially financed by the Government or if their annual receipts **are not less than Rs Five Crores**, (that is which are not covered by Clause (1) and Clause (2) above, may claim their income exempt u/s 10(23C)(vi) if those are Universities or Educational Institutions or u/s 10(23C)(via) of the Act if those are Hospitals.

Chapter 8

Renewal and Reverification

The registration once granted under section 12AB of the Act is not permanent. On expiry of time limit, it is required to be renewed. Accordingly, it may be noted that note validity of registration will be for 5 years in all cases except in case of Provisional Registration where validity will be for 3 years only.

A trust or institution once registered for exemption claiming exemption under section 10(23C) or 10(46) may alter its choice of claiming exemption from section 10(23C) or 10(46) to section 11 and 12 of the Act.

A trust or institution once registered for exemption claiming exemption under section 11 may alter its objects from those based on which earlier registration has been granted.

In these circumstances, it is necessary for such a Trust or Institution to undergo once again scanner of the Income tax Department and undergo procedure for re-registration.

Form No. 10AB is required to be submitted electronically. (02) Sub-rule (2)-List of documents to be enclosed to Form 10A or Form 10AB uploaded under sub-rule (1)-as may be applicable to the applicant: -

As required under Sub-rule (2) of amended Rule 17A, documents-as applicable to the applicant- out of following eleven documents are required to be enclosed to the Form 10A or Form 10AB-as the case may be: -

- (a) Instrument of creation: -In case the applicant is created, or established under an instrument, self-certified copy of the instrument [creating or establishing the applicant] is required to be enclosed to the application. These instruments may include (i) the Memorandum and Articles of Association, (ii) Bye-Laws, (iii) Trust Deed, etc. The contents of these documents do not seem to be a cause of concern for applicants as are registered presently under the pre-amendment provisions. However, in cases of other applicants, based on the practical experience, it is recommended that these documents should provide for the clauses with reference to dissolution, amendments, application of income on its objects, irrevocability etc. if not in these instruments.
- (b) Other alternative documents of creation: -In case the applicant is created, or established, otherwise than under an instrument, self-

Registration of Charitable & Religious Institutions for Income Tax Exemption

certified copy of the document evidencing the creation or establishment of the applicant is required to be enclosed to the application. This includes the documents like a trust created under the Will etc.

- (c) Certificate of Registration: -In case the applicant is registered under one or more Acts governing the applicant, self-certified copy of (certificate of) registration with such authorities is required to be enclosed to the application. It includes authorities like (i) the Registrar of Companies or (ii) the Registrar of Societies or (iii) the Registrar of Public Trusts, as the case may be. Such applicants are normally registered under (a) the Societies Registration Act, 1860, or (b) Companies Act, 2013, or (c) under the local laws like The Maharashtra Public Trusts Act, 1950, in Maharashtra etc. Under such circumstances, a copy certificate/s (of registration) granted such Acts should be attached to the application.

Note: -It seems that a wrongful reference is made above in the sub-rule to the copy of the registration (certificate) issued by the Registrar of Firms. This is for the reason that the partnership firms are set up for making profit and not for charity.

- (d) Certificate of Registration under FCRA, 2010: - In case the applicant is registered under the Foreign Contribution (Regulation) Act, 2010, (42 of 2010), self-certified copy of (certificate) of registration under afore-said Act should be attached to the application.
- (e) Copy of existing order granting registration: - In case the applicant is registered under section 12A, section 12AA or section 12AB, the self-certified copy of existing order granting registration should be attached to the application.
- (f) Copy of order of rejection of an application for grant of an registration: - In case the application for grant of a registration under section 12A, section 12AA or section 12AB, of the applicant is previously rejected, the self-certified copy of such an order of rejection of such an application should be attached to the application.
- (g) Copies of annual accounts: In case the applicant has been in existence during any year or years prior to the FY in which the application for registration is made, self-certified copies of the annual

accounts of the applicant relating to such prior year or years (not being more than three years immediately preceding the year in which the said application is made) for which such accounts have been made up should be attached to the application.

- (h) 'business undertaking' and the copies of annual accounts: In case the applicant is holding any business undertaking as per provisions of sub-section (4) of section 11 and such applicant has been in existence during any year or years prior to the FY in which the application for registration is made, self-certified copies of the annual accounts of the business undertaking relating to such prior year or years (not being more than three years immediately preceding the year in which the said application is made) for which such accounts have been made up should be attached to the application. Self-certified copies report of audit as per the provisions of section 44AB should also be attached to the application.
- (i) 'profits and gains of business' and the copies of annual accounts: In case the income of the applicant includes 'profits and gains of business' as per provisions of sub-section (4A) of section 11 and such applicant has been in existence during any year or years prior to the FY in which the application for registration is made, self-certified copies of the annual accounts of the business undertaking relating to such prior year or years (not being more than three years immediately preceding the year in which the said application is made) for which such accounts have been made up should be attached to the application. Self-certified copies report of audit as per the provisions of section 44AB should also be attached to the application.

Notes on sub-rule (g), (h) and (i): -

- (01) Terminology used in the rule with reference to annual account is 'immediately preceding the year (of application.)' This implies that the annual accounts for the 'latest three years' and not of any earlier three years. Example, application in form 10A is made on 10th April, 2021. Dues dates for (a) filing the audit report in form 10B and (b) filing the return of income for the previous year 2020-2021 are not then over by 10th April, 2021. As such, with this application, the accounts for the latest three

Registration of Charitable & Religious Institutions for Income Tax Exemption

previous years required to be attached to the application are for three previous years which are-2017-2018, 2018-2019 and 2019-2020.

- (02) In case of applicants existing for a period more than three years, annual accounts for maximum three (latest) years preceding the year of application are required to be attached to the application.
- (03) In case of applicants existing for a period up to less than three years, annual accounts for the period since creation thereof are required to be attached to the application.

- (j) Adoption of modification of objects: -An applicant is required to attach to the application (i) any Adoption or (ii) any modification of its objects. A reference may be made to clauses (a) or clause (b) of sub-rule (2) of rule 17A.

Note on 'self-certified' copies: -In all the above cases, (sub-clauses (a) to (i)) of sub-rule

- (1) of rule 17A, 'self-certified' copies are required to be enclosed to the application made in form 10A or form 10AB. 'Self-certified' copy means a photo copy of the original document 'certified to be the true copy' by the authorised person on behalf of the applicant itself under the signature (preferably in a blue ink) and a seal of the applicant institution or fund. Applicant institution or fund should enclose documents certified in this manner only. In view of crystal-clear provision, an attestation by notary public or by gazetted officers etc. is not required.

- (k) Note on the activities of the applicant: -The PCIT or CIT is to satisfy himself about the genuineness of the activities of the applicant and fulfilment by it of the conditions. In order to assist him this exercise, the applicant is required to attach to the application a note on various activities conducted by the applicant (during last maximum three years.)

Many applicants prepare a printed annual report (covering accounts, audit report, activities conducted, photographs, etc.) A copy of such annual report may be uploaded on the portal of the income-tax department taking into account the technical aspects of the portal.

Application Forms for Registration

There is no format prescribed in the rules to give a note on the activities conducted by the applicant. It is, therefore, advised to briefly describe in a note (a) the objects of the applicant,

(b) summary of activities conducted under distinct heads like educational, medical, etc. as per section 2 (15) of the Act-charitable purpose. It is advisable to prepare the columnar Excel statement in the following format also wherever possible in support of the note on activities of the applicants: -

Sr. No.	Day and Date	Place	Nature of activity / beneficiaries	Amount spent-Rs.
01				
02				
03				
04				
05				
06				
07 etc.				
			Total	

This total should be preferably matched or reconciled with the amount spent on the objects as per audited accounts.

Note for information: -Documents as applicable to the applicant out of these eleven documents enlisted under sub-rule (2) of amended rule 17A are required to be enclosed to the application for 'registration' under clause (ac) of sub-section (1) of Section 12A. However, documents as applicable to the applicant out of eight documents enlisted under sub-rule (2) of amended rule 11AA are required to be enclosed to the application for 'grant of an approval' under clause (vi) of sub-section (5) of Section 80G of the Act of the Act.

(05) Sub-rule (3) - Mode of furnishing the form 10A or form 10AB: - Sub-rule (3) of amended rule 17A requires the applicants to mandatorily furnish these forms electronically only (in the account of the applicant on portal of the income-tax department.)

Registration of Charitable & Religious Institutions for Income Tax Exemption

It provides under clause (i) of sub-rule (3) of amended rule 17A that if the return of income is required to be furnished under digital signature (certificate), then these forms are also required to be furnished under digital signature (certificate.)

It further provides under clause (ii) of sub-rule (3) of amended rule 17A that if the return of income is not required to be furnished under digital signature (certificate), then these forms are required to be furnished under electronic verification code (EVC.)

Note: -Readers may refer to Sr. No. 3 of table given under sub-rule (3) of rule 12 of the Income-Tax Rules, 1962, for further information in this connection.

(06) Sub-rule (4)-Mode of verifying the form 10A or form 10AB: - Sub-rule (4) of amended rule 17A requires the applicants to mandatorily get these forms verified by the person who is authorised to verify the return of income under section 140 of the Act.

Clause (e) of section 140 provides that in case of any other association, the return under section 139 shall be verified by (i) any member of the association or by (ii) principal officer thereof. These signatories will include (a) the trustees of the institution or fund and (b) its Chief Executive Officer by whatever name called.

(07) Sub-rule (5) - (i) Order of grant of Registration in form 10AC and (ii) issuance of Unique Registration Number (URN): - Sub-rule (5) of rule of amended rule 17A requires the PCIT or CIT, on receipt of an application in form 10A or form 10AB, to mandatorily (no discretion) pass an order in writing in form 10AC.

This order is for: - (a) Grant of a registration to the applicant under clause (a), or clause (c) of sub-section (1) of section 12AB of the Act and (b) Issuing to it a sixteen digit alpha-numeric Unique Registration Number (URN).

(Notes: - (a) It is the practical experience of all of us that under the manual system, the income-tax department and the institutions and funds were many times finding it difficult to trace the original copies of the (i) certificate of registration made under section 12A or Section 12AA or of (ii) approvals granted under sub-section (5) of section 80G of the Act. This has caused a lot of inconveniences to the income-tax department and to the institutions and funds.

(b) Paragraphs 03.03 and 03.04 in part A above fully discusses the provisos of clause (ac) of sub-section (1) of Section 12A regarding the registration. In

order to do away with such undesired happenings and ensure the full transparency, the income-tax department has provided for (i) a digital certificate of approval in form 10AC and for (ii) a sixteen digit alpha- numeric Unique Registration Number (URN) to be issued electronically to the applicants.

This will keep a complete electronic check on all the institutions and funds in the future.

(08) Sub-rule (6)-Cancellation of (i) registration and of (ii) Unique Registration Number–(URN) under form 10A: - Sub-rule (6) of amended rule 17A provides that: -(i) the PCIT or CIT, 'may' (discretionary power), under sub-rule (6) of amended rule 17A, cancel the (i) approval granted in form 10AC and also cancel the (ii) the Unique Registration Number–(URN).

This power will be exercised by the PCIT or CIT under the following circumstances only:-

- (i) Form 10A has not been duly filled in by the applicant by not providing fully or providing false or incorrect information or documents required to be provided under sub-rule (1) or (2);

Sub-rule (1) of amended rule 17A refers to the form 10A (and form 10AB) for registration under clauses (i) to (vi) of clause (ac) of sub-section (1) of section 12AB of the Act.

Sub-rule (2) of amended rule 17A refers to the various documents required to be enclosed to form 10A (and form 10AB) for registration under clauses (i) to (vi) of clause (ac) of sub-section (1) of section 12AB of the Act. These documents are fully discussed at No. 04 of part B above.

Note: -Use of the terms 'or partly' in this sub-rule seems to be erroneous.

- (ii) The applicant has not complied with requirements of sub-rule (3) of amended rule 17A regarding form 10A and form 10AB for grant registration to be furnished electronically.
- (iii) The applicant has not complied with requirements of sub-rule (4) of amended rule 11AA regarding form 10A and form 10AB for registration to be verified by the person who is authorised to verify the return of income under section 140.

Registration of Charitable & Religious Institutions for Income Tax Exemption

This power to cancel the (i) approval granted in form 10AC and also to cancel (ii) the Unique Registration Number will be exercised by the PCIT or CIT only after giving an opportunity of being heard to the applicant.

It is also provided in this sub-rule (6) that after the (i) approval granted in form 10AC and also (ii) the Unique Registration Number–(URN) are cancelled, the same shall be deemed to have been never granted or issued. This provision will make direct impact on the computation of income and determination of tax liability of institution or fund by not assessing it under section 11 and section 12 of the Act.

Terminology used in sub-rule (6) of rule 17A is ‘at any point of time.’ It implies that even after the issue of an order of grant of registration and Unique Registration Number (URN), the same may be cancelled in future if the situation so arises..

(09) Sub-rule (7)-Effective date of provisional registration-an exception: -As per this sub- rule, the provisional registration granted in response to an application there for made under clause (vi) of clause (ac) of sub-section (1) of section 12A, shall be effective from the AY commencing on 1st April, 2022. It clearly implies that the provisional registration will be for the previous year 2021-2022, not necessarily the full year.

(10) Sub-rule (8) - (a) Registration (ii) Unique Registration Number–(URN), under form 10AB-clause (ii) of sub-rule (1)-, (b) Rejection and (c) Cancellation thereof: -Provisions contained in Sub-rule (8) of amended rule 17A are substantially different from the provisions contained in Sub-rule (5) of amended rule 17A. Sub-rule (5), subject to sub-rule (6), requires the PCIT or by the CIT, on receipt of an application in form 10A, to mandatorily pass an order in writing in form 10AC granting an approval (no discretion) to the applicant.

However, sub-rule (8), unlike sub-rule (5), provides for ‘three different situations’ as under: -

(a) ‘Registration’ (and issue of Unique Registration Number,) (b) ‘Rejection of an application’ itself made in form 10AB, i. e. ‘not registering the applicant at all’ and (c) ‘Cancellation’ of a registration (and Unique Registration Number issued) earlier.

Sub-rule (8) provides that the order of (a) approval, (b) rejection or (c) cancellation under second proviso to sub-clause (ii) of clause (b) of sub-

section (1) of section 12AB of the Act shall be issued by the PCIT or CIT in form 10AD with the issue of the Unique Registration Number in case of the registration of the trust or institution.

(11) Sub-rule (9)-Data structure, standards and procedures: -Sub-rule (9) of amended rule 17A deals with technical aspects of (a) data structure, standards and procedures in relation to forms 10A, 10AB, 10AC, 10AD and (b) appropriate security, archival & retrieval policies. Institutions and trusts or professionals are indirectly concerned with these issues.

(12) *Lacunae in the drafting of these rules:* -

- (a) There seem to be some lacunae in the drafting of these rules as pointed out from place to place earlier.
- (b) Correct number to sub-rule (iv) of rule 9 dealing with deletion of form 56 at the end should (v) as sub-rule (iv) is already there immediately before it (v) dealing with insertion of forms 10BD and 10BE.

Notes: - (01) No fees are required to be paid along with this application in form 10A or form 10AB like the appeal fees.

Chapter 10

Consequences of not Making of Application

As per notification no. G.S.R.212(E) dated 26/3/21 the application for renewal of the existing trust or institution having registration u/s 12A or 12AA or 10(23C) is required to be submitted in between 1st April 2021 to 30th June 2021.

(1) Consequences in case of Not applied for renewal of registration

Existing trusts or institutions which are having registration u/s 12A or 12AA or 10(23C), but do not want to apply for renewal of registration under section 12AB, then in such a situation following will be the consequences:-

- (A) The provisions of section 11 and 12 shall not apply in relation to the income of any trust or institution which are registered under section 12A or 12AA (w.e.f. 1/4/21 u/s 12AB) unless these trusts or institution make an application for registration in the prescribed form and manner to the PCIT or CIT and get it registered under section 12AB.
- (B) Exemption to the existing fund or trust or institution or university or other education institution or hospital or other medical institution having approved under section 10(23C) referred to in sub clause (iv) or (v) or (via) under the respective sub clauses shall not be available, unless they make an application for registration in the prescribed form and manner to the PCIT or CIT for grant of approval and get approved u/s 10(23C).

(2) Consequences for Not applied for renewal of registration within the prescribed time limit.

Trust or institution having registration/ approval under section 12A or 12AA or 10(23C), but not applied for renewal of registration u/s 12AB within the prescribed time i.e. 01.04.2021 to 30.06.2021:-

- (a) In such case trust or institution have to apply for provisional registration as per section 12A (ac) (vi) or clause (iv) of first proviso to clause (23C) of section 10 as the case may be.

Registration of Charitable & Religious Institutions for Income Tax Exemption

- (b) After getting the provisional registration they can apply for regular registration as per section 12A (ac) (iii) or clause (iii) of first proviso to clause (23C) of section 10 as the case may be.

At this juncture, it is necessary to invite attention to the following clauses in definition of income under section 2(24) of the Act that reads as follows:

(*ii*a) voluntary contributions received by a trust created wholly or partly for charitable or religious purposes or by an institution established wholly or partly for such purposes or by an association or institution referred to in clause (21) or clause (23), or by a fund or trust or institution referred to in sub-clause (*iv*) or sub-clause (*v*) or by any university or other educational institution referred to in sub-clause (*iii*a*d*) or sub-clause (*vi*) or by any hospital or other institution referred to in sub-clause (*iii*a*e*) or sub-clause (*vi*a) of clause (23C) of section 10 or by an electoral trust.

Explanation.—For the purposes of this sub-clause, "trust" includes any other legal obligation ;

(*xviii*) assistance in the form of a subsidy or grant or cash incentive or duty drawback or waiver or concession or reimbursement (by whatever name called) by the Central Government or a State Government or any authority or body or agency in cash or kind to the assessee other than,—

- (a) the subsidy or grant or reimbursement which is taken into account for determination of the actual cost of the asset in accordance with the provisions of *Explanation 10* to clause (1) of section 43; or

Chapter 11

Section 10(23C) V/s Section 11

Under the prevailing law the organisation registered u/s 12AA can also avail approval u/s 10(23C) or 10(46) and thus can have the option of availing tax exemption under either of the two sections. Finance Act 2020 provides that an organisation cannot simultaneously enjoy approval under two provisions. By amendment in section 11 (7), it is clarified that the registration u/s 12AA/AB shall be inoperative from the date on which the trust or institution has approved under section 10(23C) or is notified under section 10(46). No similar provision of approval becoming inoperative has been u/s 10(23C) of 10(46). Therefore, holding two approvals at a time shall make the registration under section 12AA inoperative and not vice versa.

Due to the above provisions, organisations which are eligible for applying under both section 10(23C) and section 11 will have to decide the section that would be beneficial to them at the time of filing the renewal application or provisional registration. Given below is a summary of differences which need to be considered while making the application.

Chapter 12

Section 10(23C) and Section 35

Exemption is Exclusive

The amendment to section 11 provides that if the institution is registered for exemption U/s. 11 etc. as well as approved U/s. 10(23C) / notified U/s. 10(46) then the above registration shall become inoperative from the date of coming in to force of the amendment. If in future, an institution which is registered U/s. 12AA / 12AB also gets approval U/s. 10(23C) or become notified U/s. 10(46) after amendment, then also in such case the registration U/s. 12AA / 12AB shall become inoperative from the date of such approval / notification.

The amendments give an option to the institution to get its registration u/s. 12AA / 12AB operative by making application for that. However, in such circumstances he will not be entitled to get benefit of section 10(23C) approval / 10(46) notification. The procedure for making registration operative again is given in the amended provisions.

An entity making fresh application for approval under clause (23C) of s.10, shall be initially provisionally approved or registered for three years on the basis of application without detailed enquiry even in the cases where activities of the entity are yet to begin and then it has to apply again for approval or registration which, if granted, shall be valid from the date of such provisional registration. The application of registration subsequent to provisional registration should be at least six months prior to expiry of provisional registration or within six months of start of activities, whichever is earlier.

Chapter 13

‘Approval’ of the Institution or Fund under Section 80G (5) including Renewal of ‘Approval’

Part A: - Brief background of Section 80G (5)- conditions for an approval there-under.

(01) Introductory: -

Section 80G contained in Chapter VI-A of The Income-Tax Act, 1961, deals with the deductions in respect of the donations made to certain charitable institutions and funds by any assessee in the previous year. Sub-section (2) thereof enlists various charitable institutions and funds. Donations made to such institutions and funds are deducted (in accordance with and subject to the provisions of section 80G from gross total income of such an assessee to compute his total income.

(02) ‘Approval’ under clause (vi) of sub-section (5) of Section 80G: -

This discussion is primarily with reference to the institutions and funds referred to in clause (v) sub-section (5) section 80G of the Act and ‘approved’ by the Principal Commissioner of Income-Tax or by the Commissioner of Income-Tax.

(03) Amendment made by the Finance Act, 2020: -

(03.01) New two clauses and new four provisos as per the Finance Act, 2020: -

The Finance Act, 2020, has made substantial amendments to sub-section (5) of Section 80G of the Act by (i) **adding two sub-clauses** (sub-clause (viii) and sub-clause (ix)) thereto and by (ii) **adding four provisos** thereto.

(03.02) The statement (of donations received): -

Sub-clause (viii) of sub-section (5) of Section 80G provides broadly for the (i) preparation of the periodic statement (of donations received) containing prescribed particulars and (ii) delivery thereof by the institution or fund to the

'Approval' of the Institution or Fund under Section 80G (5) including ...

prescribed income-tax authority (in form 10BD-as per sub-rule (2) of Rule 18AB) by 31st May each year (as per sub-rule (9) of Rule 18AB) coming after the end of the relevant previous year. The provisions of sub-rule (9) of Rule 18AB are effective from the financial year 2021-2022.

(03.03) The certificate of donations: -

Sub-clause (ix) of sub-section (5) of Section 80G provides for the certificate to be furnished by such institution or fund to the donors (in form 10BE- as per sub-rule (6) Rule 18AB) specifying (i) the amount of donation received and (ii) containing the prescribed particulars by 31st May each year (as per sub-rule (8) of Rule 18AB) coming after the end of the relevant financial year. The provisions of sub-rule (8) of Rule 18AB are effective from the financial year 2021-2022.

(03.04) Four provisos to sub-section (5) of Section 80G and the grant of an 'approval': -

Sub-clause (ix) of sub-section (5) of Section 80G is followed by four different provisos providing for various items or issues as under: -

Proviso Particulars –Time limit to make an application for approval

First **(i) Institution or fund already holding approval:** -Application to be made by such the institution or fund which is **approved** under clause (vi) of sub- section (5) as it stood immediately **before the amendments** made by the Finance Act, 2020, **within three months from the date on which this proviso comes into force.**

(Note: - New provisions are effective from 1st April, 2021-sub-rule (2) of Rule1- Notification No. G.S.R. 212 (E) dated 26th March, 2021, issued by the Central Board of Direct Taxes.)

For Example: -Modern Education Society is already approved in October, 2017, under section 80G (vi)(5) of the Act under existing provisions.

Under the amended provisions, it will have to re-apply for an approval under section 80G (vi)(5) of the Act up to 30th June, 2021.

(ii) Institution or fund approved post-amendment: Application to be made by the institution or fund which is **approved after the amendments** made by the Finance Act, 2020, and **the period of such approval is due to expire**, 'at least' six months prior to the (the date) of expiry of such approval;

Registration of Charitable & Religious Institutions for Income Tax Exemption

Example: This provision will be effective in future latest by 30th Sept., 2025. This date is calculated as under: - (a) Date of approval under amended provision-01st August, 2021. (b) Validity of this approval (for five years) is up to 31st March, 2026. (c) Therefore, the due date of making an application for 'renewal of an approval' in respect of this institution or fund is 'at least' six months prior to the (the date) of expiry of such approval, i. e. up to 30th Sept., 2025;

(iii) Institution or fund provisionally approved post-amendment: Application to be made by the institution or fund which is **approved provisionally after the amendments** made by the Finance Act, 2020, and **the period of such provisional approval is to expire**, 'at least' six months prior to the (the date) of expiry of such approval; **OR** within six months of commencement of its activities **whichever is earlier**;

For Example: -Indian Education Society is provisionally approved under section 80G (vi)(5) of the Act under the amended provisions up to 31st March, 2024. However, as a newly set up educational institution, it commences its educational activities on 10th June, 2022.

In this case, the earlier date will be as under: -

- (a) 'at least' six months prior to 31st March, 2024-(the date of expiry of such approval,) i. e. by 30th Sept., 2023; **OR** within six months of commencement of its activities (from 10th June, 2022), i. e. by 09th December, 2022.
- (b) The due date for an application for the grant of approval will be earlier of these two dates, i. e. by 09th December, 2022.

(iv) In any other case post-amendment: -Application to be made by the institution or fund 'at least' one month prior to the commencement of the previous year relevant to the assessment year from which such approval is sought.

For Example: (a) Indian Education Society is established newly on 11th June, 2021. (b) It seeks an approval from the assessment year 2023-2024. (c) Previous year relevant to the assessment year 2022-2023. (c) Application for grant of an approval needs to be made by it latest by 28th February, 2022. This provision is going to be very inconvenient for the newly established entities.

'Approval' of the Institution or Fund under Section 80G (5) including ...

Proviso Particulars –Time limit to dispose off an application (made for an approval under the 1st proviso) by the Principal Commissioner of Income-Tax or by the Commissioner of Income-Tax:

Second (i) Where an application is made under clause (i) of first proviso: -

The Principal Commissioner of Income-Tax or the Commissioner of Income-Tax **'shall'** pass an order in writing **granting it an approval (no rejection)** for a period of five years; **(No provisional approval in this case.)**

As per **third proviso to sub-section (5)**, this **order** of granting an approval is required to be passed **before the expiry of the period of three months** 'from the end of the month in which an application for approval is made'. For example, an application for approval is uploaded on 12th May, 2021. The Principal Commissioner of Income-Tax or Commissioner of Income-Tax 'shall' pass an order in writing granting it an approval latest by 31st August, 2021 (and not by 11th August, 2021.)

As per **clause (a) of the fourth proviso**, this approval will be **retrospective**, i.e. from the assessment year for which the approval was earlier granted to such institution or fund. For example, in case of the institution or fund which is approved for the period to 31st March, 2021, under existing provisions, the approval of this institution or fund will continue to be effective from the previous year 2021-2022, for five years, under the amended provisions.

Second (ii) Where an application is made under clause (ii)-renewal of an approval post-amendment or clause (iii)- renewal of provisional approval post- amendment-of first proviso: -

On receipt of such application for grant of an approval under clause (ii) or clause (iii) of first proviso, the Principal Commissioner of Income-Tax or the Commissioner of Income-Tax **'shall'** (i) call for such **documents or information** from it or (ii) make such **inquiries** as he thinks necessary.

This course of action is followed by him to **satisfy himself** that (i) the **activities** of the institution or fund **are genuine** and (ii) the **conditions** laid down under clauses (i) to (v) of sub-section (5) of section 80G are **fulfilled by it**.

After his so satisfying on both the grounds, he is required to pass an order in writing **granting it an approval** for a period of five years; **(No provisional approval in this case.)**

Registration of Charitable & Religious Institutions for Income Tax Exemption

If he is **not so satisfied** about any of both the grounds, he is required to pass an order in writing **rejecting such application** and **cancelling its approval** after giving it a reasonable opportunity of being heard in the matter.

As per **third proviso to sub-section (5)**, this order of grant of approval (or of rejecting the same) is required to be passed **before the expiry of the period of six months** from the end of the month in which an application for approval is made. For example, an application for approval is uploaded on 12th Sept., 2024. The Commissioner of Income-Tax 'shall' pass an order in writing granting it an approval (or rejecting the same) by 31st March, 2025 (and not by 11th March, 2025.)

As per **clause (c) of fourth proviso**, this approval under **clause (ii)** will be effective from the assessment year immediately following the financial year in which the application for approval was made. For example, an application is uploaded on 12th September, 2025. The approval of the institution or fund will be effective from the assessment year 2026-2027, for five years.

As per **clause (b) of fourth proviso**, this approval under **clause (iii)** will be retrospective, i.e. from the first of the assessment years for which the provisional approval is granted to such institution or fund. For example, the institution or fund which is approved provisionally for the period from 01st April, 2021, under amended provisions. The approval of the institution or fund will be effective from the assessment year 2022-2023, for three years.

Chapter 14

Frequently Asked Questions

- 1. All existing Trusts / Institutions registered under the Act have to compulsorily apply for fresh registration u/s 12 AB of the Act before 30th June 2021. If any registered Trust fails to apply before the said date (or applies beyond the said date) for fresh registration u/s 12 AB of the Act, what will be the consequences?**

Ans. Clause (a) of the Proviso to Section 12A (2) clearly specify that if the existing Trusts / Institutions registered under Section 12A or 12 AA of the Act, apply for fresh registration u/s 12 AB of the Act before 30th June 2021, provisions of Section 11 and 12 shall apply to Trust/ Institution from the assessment year from which they were granted their earlier registration.

Section 12A (2) further clarifies that if the said time line of 1st April to 30th June 2021 is not followed, the provisions of Section 11 and 12 shall apply to Trust/ Institution from the 1st day of the financial year in which such application is made.

In short, within time application for fresh registration u/s 12 AB will register the Trust from the date on which it was originally registered u/s 12 A or Sec 12 AA. If the application for registration u/s 12 AB is made late that is after 30/06/2021, the registration u/s 12 AB will be granted for F Y 2021/22 and onwards.

- 2. Does it mean that Trust/ Institution will have to pay tax on its Gross Receipts if the application for fresh registration is not made within a period 1st April to 30th June 2021 for A Y 2022/23?**

Ans. The fresh registration provisions u/s 12AB of the Finance Act 2020, were effective from 1st June 2020 for A Y 2021/22. However, those provisions were omitted by Taxation and Other Laws (Relaxation and Amendment of certain Provisions) Act 2020 and were postponed till 1st April 2021.

Now time given for application for fresh registration u/s 12 AB is up to 30/06/2021. If the Trust fails to apply by the said date or applies beyond the said date within the F Y 2021/22, then it's income for A Y 2022/23 will be exempt u/s 12A (2) of the Act.

If the Trust fails to apply within F Y 2021/22, it will not comply with the basic conditions of Sec 11 and 12 of the Act and the deduction will not be allowed for Application of Income u/s 11 of the Act. The Gross Receipts may be taxable for A. Y. 2022/23.

3. In the abovesaid situation, whether Commissioner of Income Tax (CIT) has powers for condonation of delay for late application for fresh registration u/s 12 AB of the Act?

Ans. No..! CIT does not have powers for condonation of delay for late application for fresh registration u/s 12 AB of the Act.

4. In the abovesaid situation, whether Central Board of Direct Taxes (CBDT) has powers for condonation of delay for late application for fresh registration u/s 12 AB of the Act?

Ans. Yes..! CBDT does have powers u/s 119(2) (b) of the Act for condonation of delay for late application for fresh registration u/s 12 AB of the Act.

5. Whether Trust/ Institution will have to pay tax u/s 115TD on accreted income if the application for fresh registration is not made

- a) **Within a period, 1st April to 30th June 2021 for A Y 2022/23?**
- b) **Not made at all**

Ans. Accreted Income is excess of all assets at market value over the liabilities of the Trust on which the Trust has to pay Income Tax at maximum marginal rate. This additional income tax is over and above the regular income tax the Trust may have to pay on its annual income.

The said tax on accreted income is payable only in the following situations:

- a) If the Trust is converted into a form which is not eligible for grant of registration/s 12 AA or 12 AB of the Act.
- b) The Trust has merged with an entity other than Trust having similar objects and registered u/s 12 AA or 12 AB of the Act.
- c) If the Trust fails to transfer all assets to other Trust/ Institution having similar objects and registered u/s 12 AA or 12 AB or

Registration of Charitable & Religious Institutions for Income Tax Exemption

registered u/s 10(23C) of the Act within 12 months from the end of the month in which the dissolution takes place.

- i) Noncompliance of the provisions of Section 12 AB of the Act within the stipulated time limit is only administrative lapse on part of the Trust which is not falling in any of the above subsections of Section 115 TD of the act. Therefore, the Trust may not be called upon to pay tax u/s 115 TD of the Act.
- ii) In a case where the Trust does not apply at all for fresh registration u/s 12AB of the Act within FY 2021/22, the registration u/s 12 AA of the Act already granted to it, may become inoperative. CIT may, after giving the reasonable opportunity of being heard, cancel its registration u/s 12 AA.

Section 115 TD Subsection (3) says "For the purposes of subsection 1(a), Trust or Institution shall be deemed to have been converted into any form not eligible for registration u/s 12 AA or 12 AB of the Act if the registration granted to it u/s 12 AA or 12 AB is cancelled.

In view of the above, such Trust gets hit by the provisions of Sec. 115 TD (1) (a) of the Act and it may, prima facie be called upon to pay tax on its accreted income.

6. The trust has been provisionally registered under s. 12AB [s. 12A(1)(ac)(iii)] Time limit for application: Earlier of the following:

- a) at least six months prior to expiry of the period of the provisional registration; or
- b) within six months of commencement of its activities.

Ans. A trust commences activities on 1st August 2020

Trust makes application for registration on 15th January 2021

The PCIT / CIT grants provisional registration on 15th February 2021

The registration is granted for three years from A Y 2021-22, to A Y 2023-24. The Trust has to apply for final registration on earlier of the following dates:

- at least six months prior to 31st March 2023 i. e. 1st October 2022 and

- six months from commencement of activities, that is, 1st February 2021.

In the above case, the Trust has received provisional registration on 15th February 2021 and he has to apply for final registration on 1st February 2021 which does not seem possible. The issue may be clarified by CBDT.

- 7. An approved hospital has been claiming exemption of Income u/s 10(23C) (via) of the Act. It intends starting activity of Day Care Centre for Senior Citizens. It is not covered under the Funds or activities prescribed u/s 10 (23C). Whether it can switch over to Sec 12 AA/12 AB from Sec. 10 (23C)?**

Ans. It is advisable to switch over from Sec.10 (23C) to Sec. 12 AA/ 12 AB. If one applies for switch over during the period 01/04/2021 to 30/06/2021, then the CIT may pass Order within 3 months for A Y 2022/23 without even conducting enquiries or calling for documents etc.

- 8. A Trust is registered on 1st July 2021 with Charity Commissioner under Maharashtra Public Trust Act. When shall it apply for registration u/s 12 AB of the Act?**

Ans. Section 12 A (1) (ac) sub clause (vi) says, such Trusts shall apply for registration at least one month prior to the commencement for the previous year relevant to the assessment year from which the said registration is sought.

In the above case, previous year is F Y 2021/22. Relevant assessment year is A Y 2022/23.

It can apply for fresh provisional registration u/s 12 AB up to 28th February 2022. So that it can get the said registration for previous year 01/04/2022 to 31/03/2023.

Hence, it appears that the Trust has to wait for a year to avail the benefits of sections 11 and 12.

- 9. (i) Whether a Trust or Institution which does not have registration u/s 12A and 80G of the Act can apply for provisional 12AB and provisional 80G registration simultaneously?**

- (ii) If Trust or Institution already has a registration u/s 12AA, when can it apply for registration u/s 80G? Before getting registered u/s 12AB or after getting the same?**
- (iii) What are the parameters for deciding as to whether the activity of the Trust has commenced or otherwise?**

Ans. (i) A Trust which does not have registration u/s 12A and 80G of the Act can apply for provisional 12AB and provisional 80G registration. The case will fall in Section 80G(5)(vi) and the clause iv of the first proviso to the said section.

The application may be made in Form 10 A with the required enclosures as stated under Rule 11 AA of Income Tax Rules.

However, since Sec 80G (5) talks about the registrations to Charitable Trusts established in India whose income is not liable to be included in total income under section 11,12 or clause 23 AA or 23 C of section 10, the first registration granted would be provisional registration u/s 12AB of the Act.

- (ii) If the Trust already has registration u/s 12AA, then it can apply for registration u/s 80G under clause iv of the first proviso to section 80G(5). However, it will have to apply for fresh registration u/s 12AB first for the reason stated in the preceding paragraph.
- (iii) There are no parameters prescribed under the Act for deciding as to whether the activity of the Trust has commenced or otherwise.
